IMPORTANT BUSINESS DE-MANDS A SPRING SESSION OF CONGRESS.

INTERNAL REVENUE ASSES. SORS TO BE DISPENSED WITH.

PRESIDENT GRANT WILL RE-COMMEND UNIVERSAL AMNESTY.

HE REFUSES TO SEND TROOPS TO NEW ORLEANS.

SENATOR BLAIR RECOVERING.

ETC. ETC.

[Reported Especially for the Bulletin.] TEREE THOUSAND BILLS FOR CONGRESS. St. Louis, Nov. 19 .- The Democrat's Washington special says: The house will meet with nearly three thousand bills on its files, while the senate has about one third as many.

INPLUENCE IN PAYOR OF A SPRING SESSION. Influence for a spring session of the torty-third congress is becoming plainly manifested, and the Star of this evening says it is almost unavoidable, since necessary business cannot possibly be transacted during the short session. NEW PLAN FOR COLLECTING INTERNAL

REVENUE. A plan is now maturing in the internal revenue office by which the system of collecting internal revenue will be essentially changed. It is contemplated to dispense entirely with sesessors and substitute therefor stamps to be sold, which would be intrusted to collectors, and ultimately to a small number of officers specially appointed for this purpose. Commissioner Douglass strongly favors a system thus generally outlayed, and it will be early brought to the attention of congress. The saving in dispensing with assessors alone would be over \$6,000,000 annually.

THE CIVIL-SERVICE MACHINERY. NEW YORK, Nov. 19 .- A Times Washington dispatch says there are indications of a sharp attack in congress on the new civil-service appointment machinery, and adds that the election has rendered the friends of the measure stronger than ever, and they have an advantage of an appeal to the platform in which the party tri-

WELCOME TO ADAMS.

Charles Francis Adams was not present at the meeting in Quincy, Mass., last evening, called to express satisfaction with his recent deplomatic achievements, and to give him a welcome to his home The usual complimentary addresses and resolutions were, however, made and TRUMBULL.

Senator Trumbull has written a letter declining to continue chairman of the judiciary committee. Senator Edmunds of Vermont, will probably succeed him. ALABAMA SENATOR.

The Tribune's Washington special says that Senator Spencer will be re-elected by the Alabama legislature.

A WRONG IMPRESSION Sr. Louis, Nov. 19 .- The Republican's Washington special says recent dispatches from Alabama conveyed a wrong impression regarding the complexion of the lower house of the legislature in that State. It appears the Radicals have a small majority in the house, and will have 25 or 30 majority on joint ballot when they go into an election for U. S. Senator on the 26th.

SENATOR BLAIR. St. Louis, Nov. 19. -Senator Blair, who has been sick at his house here for Some time past, and had a slight attack of paralysis in the right leg and arm on Saturday last, is much better to-day, and the physician says he will soon be well again-THE PRESIDENT WILL RECOMMEND UNI-

VERSAL AMBESTY. NEW YORK, Nov. 19 .- A Washington special to the Evening Post says there is good reason for believing that the president will in his forthcoming message recommend congress to complete the work of amnesty by making it universal, and by restoring those to citizenship who are now excluded by the third section of the fourteenth amendment. Such a course has been urged upon the president by several members of the cabinet, and one of them is authority for saying that he has decided so to do.

HE REPUSES TO SEND TROOPS TO NEW

ORLEANS. The U. S. Marshall at New Orleans. made application to the president by telegrap, on Saturday last, for troops to aid them in arresting certain persons who were conspiring against the election laws, and who manifested their intention to resist the federal authorities. The president promptly refused to comply with the request, deeming such action unnecessary, especially when there was no information showing that the civil authorities were powerless to execute the laws, and punish those who attempt to violate them.

SEVERELY CONDEMNED. The action of the United States mar-

violation of the election law and carrying them to Mobile to prevent a quorum of the legislature, is severely condemned by the administration as unwise, unnecessary has been elected chief of the Cherokee naand perhaps illegal. If the account of the tion of Indians, in place of Lewis Downaffair as telegraphed North is correct, ing, deceased. the marshal who made the arrests will receive a severe reprimand, if not the greater punishment of being dismissed from office. Such is the expressed view of Attorney General Williams.
